2. **Select Sign-In Option:** Look for the "Sign Up" or "Create Account" option. This is found near the top right corner of the webpage next to the search box.
3. **Initiate the Sign-Up Process:** There will be a box to "Sign into an existing account" and a box to "create a new account".

The image shows two side-by-side forms. The left form is titled "Sign In to Existing Account" and contains fields for "Email:" and "Password:" with a "Sign In" button and a "Reset My Password" link. The right form is titled "Create New Account" and contains fields for "Email:", "Password:", and "Retype password:" with a "Create Account" button. In the right form, the title "Create New Account" and the "Create Account" button are circled in red.

4. **Fill Out the Box to create a new account:** Please fill out the required fields accurately:
 - **Email:** Provide a valid email address. This will be used for account verification and communication purposes.
 - **Password:** Create a strong password that is at least 6 characters long. You may use any combination of upper & lower case letters, numbers, and special characters (!@#\$%^&*-=|<>?/\). Password is case-sensitive and must be entered exactly the same way each time.
 - **Retype Password:** Re-enter the password you created to ensure accuracy.
5. **Complete the Sign-Up Process:** Once you have filled out all the required fields and agreed to the terms, click on the "Sign Up" or "Create Account" button to complete the process.
