

## How to Opt In or Out of Marketing Emails in ProLearning

Please note that UNT WISE uses ProLearning’s marketing email feature to send important notices, such as TWC notices for providers and reminders about upcoming credential renewals. These messages are **not promotional marketing emails**.

You may opt out of receiving these notifications; however, if you do, **you are responsible** for staying informed about TWC provider notices and your credential expiration dates to ensure continued compliance.

1. Log in to ProLearning: <https://prolearning.unt.edu/unt/account/Signin.aspx>
2. Navigate to your ‘**Account Overview**.’
