Job Skills Trainer/Job Coach

WORKPLACE INCLUSION & SUSTAINABLE EMPLOYMENT

UNTWISE

The following form may assist you to breakdown and record the steps involved in teaching a particular task and how long the teaching process was needed. When the person completes the step, without assistance for several days, the task is considered "mastered".

Task Analysis					
Employee: Job Site:					
Trainer: Task:					
Task Steps:					

- + The worker completed the step correctly without any assistance.
- **The worker needed assistance to complete the step or completed it incorrectly.**
- M The worker has "mastered" the task.
